

Homage to New England: Selected Articles on Early New England History, 1937 to 1963 | Peter Charles Hoffer | Garland Pub., 1988 | 1988 | 9780824062330 | 312 pages

New England, region, northeastern United States, including the states of Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, and Connecticut. The region was named by Captain John Smith, who explored its shores in 1614 for some London merchants. New England was then soon settled by English Puritans. New England was soon settled by English Puritans whose aversion to idleness and luxury served admirably the need of fledgling communities where the work to be done was so prodigious and the hands so few. In the early decades of the republic, the region strongly supported a national tariff and the policies of the Federalist Party. Homage to New England by Peter Charles Hoffer, unknown edition. The History of New England pertains to the New England region of the United States. New England is the oldest clearly defined region of the United States, and it predates the American Revolution by more than 150 years. The English Pilgrims were Puritans fleeing religious persecution in England who established the Plymouth Colony in 1620, the first English colony in New England and the second in America (The first European settlement in New England was a French colony established by Samuel de Champlain
