Description:

Review "Get to the office store and buy some tabs! Pete and Pam Wright did it again! Every parent and advocate should have this book as a companion to From Emotions to Advocacy." --Lori Allen, Education Department, Parents Helping Parents, and advocate for families
"Understanding special education law can be difficult. First, there is the new IDEA 2004, followed last summer by the approved regulations for this law. Yet, Peter and Pamela Wright, authors of the second edition have managed to create a clear and concise book explaining the IDEA and Regulations." --Elaine Butler, Support For Families Librarian, San Francisco, CA

Kelly Sumner N. Special Education Law came into effect in 1975, with the passing of Public Law 94-142, also known as the Education for All Handicapped Children Act. This law required schools to protect the rights of, and provide a free appropriate public education for, all students with disabilities, such as mental retardation, learning disabilities, emotional problems, etc. Prior to this law, many individuals with a mental illness or mental retardation were placed in state institutions, quite often receiving minimal clothing, food and care.Â Districts are required to provide an education to special needs children in the least restrictive environment. For most students, this means attending the home district school in a partial or full general education setting. 3. High school graduation.Â Wrightslaw. About Us.
