

THE POLITICAL ECONOMY OF CENTRAL-LOCAL RELATIONS IN CHINA: INFLATION AND INVESTMENT CONTROLS DURING THE REFORM ERA, YASHENG HUANG

Macroeconomic Policy Developments During the Reform Era: 5. Excess investment demand and austerity policies; Part III. Analyzing Local Investment Behavior: 7. Strategic investment behavior during austerity; 8. Bureaucratic investment behavior; 9. Conclusion: Political institutions, inflation control, and economic reforms; References; Indexes. Illustrated. Yes. Yasheng Huang's book enormously advances three crucial literatures in comparative political economy: on inflationary investment in decentralizing planned economies; on precedence and pacing of economic and political reform, in Communist and in non-Communist authoritarian systems; and on "federalism" (in Weingast's broad sense) and economic growth in general. An edition of Inflation and investment controls in China (1996). Inflation and Investment Controls in China. The Political Economy of Central-Local Relations during the Reform Era.
