

VITA

Robert A. Stallings
Professor Emeritus

Sol Price School of Public Policy
University of Southern California
Los Angeles, California 90089-0626
rstallin@usc.edu

Education

Ph.D., Sociology, 1971 The Ohio State University

M. A., Sociology, 1968 The Ohio State University

B. A., Sociology, 1966 The Ohio State University

Professional Positions

Professor Emeritus, Sol Price School of Public Policy, 2004–present.

Professor, School of Policy, Planning, and Development, University of Southern California, 1998–2004.

Visiting Scholar, Katastrophenforschungsstelle, Institut für Soziologie, Christian-Albrechts-Universität zu Kiel, Winter Semester 1996.

Professor, School of Public Administration, University of Southern California, 1995–1998.

Professor, Department of Sociology, University of Southern California, 1995–2004.

Director, Program in Public Policy, School of Public Administration, University of Southern California, 1994–1995.

Visiting Scholar, Department of Sociology, University of California, Berkeley, Spring 1989.

Associate Professor, School of Public Administration, University of Southern California, 1978–1995.

Associate Professor, Department of Sociology, University of Southern California, 1987–1995.

Assistant Professor, School of Public Administration, University of Southern California, 1975–1978.

Chair, Department of Sociology, University of Evansville, 1971–1974.

Assistant Professor, Department of Sociology, University of Evansville, 1971–1975.

Graduate Research Associate, Department of Sociology, The Ohio State University, 1967–1971.

Books

Promoting Risk: Constructing the Earthquake Threat. New York: Aldine de Gruyter, 1995.

Reviewed in:

American Journal of Sociology 101:4 (January 1996): 1154–1155.

Contemporary Sociology 25:2 (March 1996): 202–204.

International Journal of Mass Emergencies and Disasters 14:1 (March 1996): 117–119.

Social Forces 75:1 (September, 1996): 381–382.

Methods of Disaster Research (ed.). Philadelphia, PA: Xlibris, 2002.

Volume 2 in the International Research Committee on Disasters Book Series.

Reviewed in:

International Journal of Mass Emergencies and Disasters 22:1 (March 2004): 143–148.

Monographs

A Program of Studies on Socioeconomic Consequences of Earthquake Predictions. Washington, D.C.: National Academy of Sciences, 1978. (Co-author)

Communications in Natural Disasters. Columbus: The Ohio State University, Disaster Research Center, 1971.

Refereed Articles and Book Chapters

“Methodological Issues.” Pp. 55–82 in *Handbook of Disaster Research*, edited by Havidán Rodríguez, E. L. Quarantelli, and Russell R. Dynes. Berlin and New York: Springer-Verlag, 2006.

“Disaster Research.” Pp. 71–73 in *The Sage Dictionary of Social Research Methods*, compiled and edited by Victor Jupp. London: Sage Publications, Ltd., 2006.

- “Disaster, Crisis, Collective Stress, and Mass Deprivation.” Pp. 237–274 *What Is a Disaster? New Answers to Old Questions*, edited by Ronald W. Perry and E. L. Quarantelli. Philadelphia, PA: Xlibris, 2005.
- “Soziologische Theorien und Disaster-Studien.” [“Sociological Theory and Disaster Studies.”] Translated by Prof. Dr. Lars Clausen. Pp. 35–49 *Entsetzliche soziale Prozesse: Theoretische und empirische Annäherungen*, edited by Lars Clausen, Elke Geenen, and Elisio Macamo. Münster: LIT-Verlag, 2003.
- “The Problem with the Earthquake Problem.” Pp. 21–28 in *Social Problems: Constructionist Readings*, edited by Donileen R. Loseke and Joel Best. New York: Aldine de Gruyter, 2003.
- “Methods of Disaster Research: Unique or Not?” Pp. 21–44 in *Methods of Disaster Research*, edited by Robert A. Stallings. Philadelphia, PA: Xibris Corporation, 2002.
- “Weberian Political Sociology and Sociological Disaster Studies.” *Sociological Forum* 17:2 (June 2002): 281–305.
- “Disaster and the Theory of Social Order.” Pp. 127–145 in E. L. Quarantelli (ed.), *What Is a Disaster? Perspectives on the Question*. London: Routledge, 1998.
- “Construyendo el riesgo: Teoría sociológica sobre la amenaza sísmica.” *Desastres y Sociedad* 4 (January–June, 1995): 11–18.

“A Description and Analysis of the Warning Systems in the Topeka, Kansas Tornado of June 8, 1966.” Pp. 58–69 in Benjamin F. McLuckie, *The Warning System in Natural Disaster*. Columbus, Ohio: Disaster Research Center, Research Report No. 9, 1971. (Reprint of 1967 report)

Research Interests

Sociological Theory

Social Construction of Risk

Media Discourse and Public Problems

Resource Mobilization in Environmental and Safety Controversies

Research Experience

Co-Principal Investigator, “An Unintended Consequence of Disaster Response?: ‘Vacuums’ in the Availability of Organizational Resources.” Small grant funded by the National Science Foundation through the Natural Hazards Research and Applications Information Center, University of Colorado, 1995–1996. (With T. Joseph Scanlon, Carleton University, Ottawa)

Principal Investigator, “Neighborhood Retention Following the Northridge Earthquake.” National Science Foundation Grant No. CMS-9416196, Division of Civil and Mechanical Systems, 1994–1995.

Principal Investigator, “Explaining Local Implementation of Earthquake Mitigation in California.” National Science Foundation Grant No. BCS-9015258, Division of Biological and Critical Systems, 1990–1991.

Co-Principal Investigator, “Examination of Interaction Among Journalists at Continuing Disasters.” Small grant funded by the National Science Foundation through the Natural Hazards Research and Applications Information Center, University of Colorado, 1990–1992. (With T. Joseph Scanlon, Carleton University, Ottawa)

Proposal Review Panel, National Science Foundation, Earthquake Hazard Mitigation Program, 1989–1990.

Advisory Panel, National Science Foundation Grant CES-8804290, University of California at Los Angeles, School of Public Health, 1988.

Principal Investigator, “Testing Hypotheses About Interorganizational Relations in Disaster.” Small grant from the Natural Hazards Research and Applications Information Center with funds from National Science Foundation Grant No. CEE-841207, 1985–1986.

Consultant, Committee on United States Emergency Preparedness, Commission on Sociotechnical Systems, National Research Council, National Academy of Sciences, Washington, D.C., 1979–1980.

Member, Emergency Preparedness and Response Task Force, President’s Commission on the Accident at Three Mile Island (Kemeny Commission), Washington, D.C., 1979.

Field Director (Southern California), “Factors Affecting the Design and Implementation of Community Disaster Evacuation Plans.” National Science Foundation Grant No. ENV 77-23697 to the Battelle Human Affairs Research Centers, Seattle, Washington, 1979.

Principal Investigator, “Dynamics of Intergovernmental Relations in Four Presidentially-Declared Disasters.” Small grant from the Natural Hazards Research and Applications Information Center with funds from National Science Foundation Grant No. ENV 76-05682, 1979.
