It is used to identify trends, debates, and gaps in the research.Â A good literature review doesn't just summarize sources â€“ it analyzes, synthesizes, and critically evaluates to give a clear picture of the state of knowledge on the subject. Table of contents. Why write a literature review? This is from "The Sorrows of Fat City: A Selection of Literary Essays and Reviews" (University of South Carolina). To write imaginary history is to celebrate the human imagination. . . . The subject is the larger imagination, the possibility of imagining lives and spirits of other human beings, living or dead, without assaulting their essential and, anyway, ineffable mystery. . . .Â Frederick Crews criticizes those who argue for a rigid literary canon, offering in its place a vision of a more hospitable alternative in this excerpt from "The Critics Bear It Away: American Fiction and the Academy" (Random House). I am thinking of . . . people who conceive of the ideal university as a pantheon for the preservation of great works and great ideas. More of Garrett's distinguished Faulkner criticism appears in the "Southern Literature and William Faulkner" section of Garrett's The Sorrows of Fat City: A Selection of Literary Essays and Reviews, University of South Carolina Press, 1992.) In 1976, the novelist and critic Warren Beck published one of the finest, most massive, and "inexplicably" most neglected of all the books of Faulkner criticism, entitled, with misleading modesty, Faulkner: Essays (University of Wisconsin Press). His scattered remarks about the Nobel Prize address stand out as a superb example of what can be learned about Fa

Literature essays shouldn't be confused with reflection or review kinds of papers since they deliver a completely opposite result. In literature type, you have to focus on reviewing the writing from the glance of the literary techniques used by the author. Your goal is to decipher the whole thing via such narrative forms like allegory, figurative language, metaphors, and shifted plot structure as in-medias res. The process of writing the literature essay can be daunting and time-consuming. The choice of the literary essay topic should be strong and relevant to the piece of literature. There are tons of topics that colleges and universities offer for students to choose from. Another scenario is when students come up with their own topics and specific essay types. His style easily encompasses texts as different as the poetry of Joyce Cary and the novels of James Gould Cozzens. Writing from the Southern tradition, Garrett is always aware of literary fashions and politics and is strongly committed to the relationship between literature and life. Among the various authors discussed, the reviews of John Ciardi and Wright Morris are especially interesting. The articles on the historical novel and a major section on William Faulkner contain impor
