No part of A Physician's Guide to the Management of Huntington's Disease (Third Edition) may be reproduced in any way without the express written permission of the Huntington's Disease Society of America. ©2011 Huntington's Disease Society of America All rights reserved. Printed in the United States of America. It has been more than ten years since the last edition of A Physician's Guide to the Management of Huntington's Disease. In that time, a great deal has been learned about HD. We now have a much better understanding of its genetic, biochemical, and neuroanatomic basis. Page i. Writing and Speaking for Excellence. A Guide for Physicians. Deborah St. James. Medical Editor. What follows are my observations during the last three years. I have not intended this to be a textbook; for a comprehensive guide to grammar, punctuation, and word usage, you will need another book. My intention instead is to address some of the most frequently asked questions, comments, frustrations, and problems I have heard from medical writers and to offer practical solutions.
