From classic lesbian pulp fiction to modern love stories, these are must listens from our favorite queer authors. The Best Lesbian Listens by Queer Authors. Get to know lesbian literature's past and present with these essential listens from the LGBTQIA+ canon. By Tizrah Price Jun 1, 2020. Lesbian literature has come a long way since the days when the poetry of Sappho and underground novels like Radclyffe Hall's The Well of Loneliness were among the few widely available options. Still, anyone on the hunt for the best LGBTQIA+ audiobooks knows that it can still be a challenge to find stories centered on lesbian characters and experiences. Used: Very Good | Details.
