Fawn Island is all about his North Woods hideaway. Tucked away in northern Minnesota, Fawn Island is a jumping-off place for journeys large and small. The book captures the sights, smells and sounds of the woods and shores of Wood's rustic retreat. In it, he introduces readers to a realm of thought and meaning, pondering the nature of neighborliness, independence, loss, death and time through his observations of the trees, rocky landscape, weather and wildlife. Fawn Island is a place where crows serve as alarm clocks, white-throated sparrows leave the tracks of their songs upon the evening hush, and chickadees help a woodsman learn to whistle. In his latest book, best-selling author Douglas Wood guides the reader on a deep journey into the heart of the North Woods. For Wood, Fawn Island is not merely a charming wilderness hideaway; it is the entry to realms of thought and meaning as well. Learn more. Join or create book clubs. Choose books together.
