Teaching multiliteracies across the curriculum : changing contexts of text and image in. classroom practice / Len Unsworth. p. cm.Â teaching and learning literacies across primary and junior secondary schooling. As well. as articulating general principles and providing guidelines for the practical classroom. Homeâ€EdTech & Innovationâ€Teaching Writing Across the Curriculum. Teaching Writing Across the Curriculum. By Chris Piehler. June 4, 2018.Â BoomWriter compiled the winning version of each chapter into a printed book. Every student got a copy, and students loved showing off their books and having their friends sign them. Working collaboratively and being able to hold the results of their work in their hands increased their skills and motivation and also got them excited to explore other edtech tools in the classroom. Writing at the District Level. I have since become the instructional technology coordinator for my district; and in this role, I am continuing to emphasize strategies to increase engagement in all content areas, includ The curriculum is dedicated to developing learners who are confi dent, responsible, refl ective, innovative and engaged. Each curriculum framework for English, mathematics and science is designed to engage learners in an active and creative learning journey. Contents Stage 1Stage 1The following genres and text types are recommended at Stage 1: Fiction and poetry: real-life stories, traditional tales from different cultures, fantasy stories, poetry.Non-fi ction: non-chronological reports, simple recounts, instructions, dictionaries.
