Spend a Day with Essential Instructional Practices in Early Literacy Why is Early Literacy Important? Children introduced to reading early on tend to read earlier and excel in school compared to children who are not exposed to language and books at a young age (American Academy of Pediatrics). Reading, rhyming, singing, and talking "beginning from birth" profoundly influence literacy and language development, the [Cool] Forts Fathers Day Quotes Dad Mug Family Values Good Good Father Family Traditions Read Aloud Early Learning Early Childhood. How to encourage literacy in young children (and beyond). Supporting early childhood literacy is not just about read Recently, the MAISA GELN Early Literacy Task Force Early Literacy Task Force released research-supported guidelines on Essential Instructional Practices in Early Literacy. This framework not only provides great tips that educators can put to use right away in a variety of classroom settings, but it also offers insight into what kinds of tools, instructional resources, and online programs that Michigan educators should look for to support literacy learning. Here, we've summarized all 10 instructional practices recommended by MAISA GELN and taken a look at the online program features that can help
