Clearly, Lorraine Hansberry understood that the dialects of black communities were distinctly different from the dialects of other communities, for she has her characters speak in the very real language of their community. Although Hansberry's own immediate family were all college educated and spoke Standard English all the time at home, Hansberry herself spent a lot of time in poor Southside households that were similar to that of the Younger family in Raisin. Lucas's Style (1955) is a book about the writing and appreciation of "good prose", expanded for the general reader from lectures originally given to English Literature students at Cambridge University. It sets out to answer the questions, "Why is so much writing wordy, confused, graceless, dull?" and "What are the qualities that endow language, spoken or written, with persuasiveness or power?" It offers "a few principles" and "a number of examples of the effective use of language, especially in Stylin' in the Sun book. Read reviews from worldâ€™s largest community for readers.
