Uploaded by LineK on February 18, 2010. However, as just an Elementary Algebra book I feel the book covers all the necessary material. read more. Reviewed by Loretta Waldroupe, Math Specialist, Cowley Community College on 5/14/21. Comprehensiveness rating: 4 see less. Our college uses the same textbook for Elementary and Intermediate Algebra. This book is missing some of the Intermediate Algebra content that we cover. This book provides very clear and comprehensive coverage of the usual Elementary Algebra topics, as well as some Intermediate Algebra material. The book provides plenty of examples and very robust, well-constructed exercise sets. The author has read more. Reviewed by Wendy Rawlinson, Mathematics Instructor, Lane Community College on 8/21/16.
