The Mother of All Pregnancy Books. "The must-read pregnancy book! Ann Douglas has created the most comprehensive guide to pregnancy we've ever seen." -Denise & Alan Fields, authors of Baby Bargains. The Mother of All Baby Books. "With humor, sensitivity, an easy, no-jargon style, and a million `extras' that the leading baby books on the shelves don't cover, Ann Douglas holds nothing back." All of her books favor research backed advice and are some of my favorite parenting books, starting with her book the Mother of All Pregnancy books. Each book does not assume life with the under 5 crowd is always bliss. In particular I used the pull out symptom guide as well as month by month development checklist that are easy to reference. The All-Canadian Guide to Your Child's Second and Third Year. For over two decades, Canadians have counted on Ann Douglas for her reassuring, proven and never bossy advice. Featuring the latest recommendations from Canadian health authorities and the best tips from more than one hundred Canadian parents, The Mother of All Toddler Books is an indispensable resource for the toddler years. Inside, you'll find. ANN DOUGLAS is the author of the bestselling The Mother of All series of parenting books and Parenting Through the Storm and is the national weekend parenting columnist for CBC Radio. A passionate and sought-after speaker, Ann leads parenting workshops and advises parents and educators across Canada. She lives in Peterborough, Ontario. The Mother of All series is now firmly established in the hearts and minds of tens of thousands of Canadian parents. And those tens of thousands of new moms and dads are telling their friends about the series. The Mother of All Toddler Books picks up where Mother of All Baby Books finished and takes parents on the same lively, informative, and authoritative journey they've come to expect from this one-of-a-kind parenting series. The toddler years are busy and challenging as child development, and behavioural and discipline issues take centre stage. It's the time to establish healthy activities Ann's books include The Mother of All Pregnancy Books (Canadian edition and American edition), The Mother of All Baby Books (Canadian edition and American edition), The Mother of All Toddler Books (Canadian edition), and Trying Again: A Guide to Pregnancy After Miscarriage, Stillbirth, and Infant Death. I ordered this book because i love to look at baby/toddler books and learn all that i can. I have twin 2 year olds and I can not tell you how many times i have needed this book to look at for reference or just ideas. It has all the info you could want and more! That means buying durable toys, age-appropriate toys, toys that your child will be able to play with for many years, and toys that can be played with in more than one way.
