About That Night is the third book in the FBI/US Attorney series by Julie James. Nine years ago, when Rylann Pierce was in college she met this cute, handsome guy in a bar called Kyle Rhodes. Kyle walked her home, kissed her and invited her for dinner the following night. Next night Rylann is ready, waiting for Kyle but he didn't show up nor did he call to cancel their date. She never saw him again but heard about him, impossible not to when Kyle is not only the son of a billionaire but a computer genius who was involved in big scandal years later.
