The book details Douglas's "criminal-personality profiling" on serial killers and mass murderers, which he developed over decades of interviews with known killers. The book includes profiles of the Atlanta child killer, Wayne Williams, Edmund Kemper, Robert Hansen, and Larry Gene Bell, and suggests proactive steps on luring culprits to contact the police.[1][2].[^] "The real Mindhunter: inside the head of FBI 'serial killer whisperer' John E Douglas". The Telegraph. Retrieved 2018-02-02. FBI Special Agent and expert in criminal profiling and behavioural science, John Douglas, is a man who has looked evil in the eye and made a vocation of understanding it. Now retired, Douglas can let us inside the FBI elite serial crime unit and into the disturbed minds of some of the most savage serial killers in the world. The man who was the inspiration for Special Agent Jack Crawford in *The Silence of the Lambs* and who lent the film's makers his expertise explains how he invented and established the practice of criminal profiling; what it was like to submerge himself mentally in the world

[^]œMindhunter[^] is the true story of FBI agent John Douglas, one of the founders of criminal profiling. His interviews with killers are dark, disturbing, and somehow a little sad. A must-read for any fan of the Netflix adaptation.[^] After spending twenty five years working in the FBI Investigative Support Unit, John E. Douglas is finally retired and ready to share his fascinating behind-the-scenes chronicle based on the psychological profiling that he used to dive deep into the minds of the countries most hunted serial killers and criminals. Douglas, nicknamed the Mindhunter, takes readers on a wild journey through some of the most gruesome, captivating, and difficult cases that he faced, often delving deep into the dark corners of our worst nightmares.
