**Focus:** The student will identify locations on a map/globe that correspond with locations of endangered animals from the book.

**PASS Objectives:** Social Studies—Grade 2

- 1.1 Use information located in resources such as encyclopedias, timelines, visual images, atlases, maps, globes, and computer-based technologies.
- 2.3 Identify locations on a basic map, write directions for going from one location to another, and use directional indicators to describe locations on the map using both cardinal and intermediate directions.
- 2.4 Identify basic landforms and bodies of water (e.g., plains, mountains, rivers, and gulfs), the four oceans, the seven continents, human-made features (e.g., roads and towns).

**Supplies:** Map/Globe, stickers or pins, a copy of [\*Almost Gone\*](#).

**Process:** Have students identify locations from the book and mark the location with a sticker/pin on a map/globe. Discuss the types of locations (continents, states, oceans, countries, etc.).
