This guide to Australian birth, death and marriage (BDM) records provides: Links to State and Territory Registry offices and to [their] freely accessible online indexes, where available. Links to Library networked BDM indexes (on eResources). Links to Library subscription resources (for access within the Library only). Descriptions of microfilmed resources available on open access within the Libraryâ€™s Newspapers and Family History zone. Information on accessing divorce records and links to State/Territory archive collections and research guides. Most Australian States and Territories publish indexes to 'historic' births, deaths and marriages registered in their respective jurisdictions. Use these indexes to locate official registrations of life events and obtain registration numbers.

Request PDF | On Jan 1, 2010, B. Tejada-Vera and others published Births, marriages, divorces, and deaths: Provisional data for 2009 | Find, read and cite all the research you need on ResearchGate. Grandparents reported biological relatedness, and grandparental investment was measured as the frequency of informal childcare. Biological and non-biological grandparents differed significantly in a variety of individual, familial and area-level characteristics. Furthermore, many other economic, sociological, and psychological factors also influenced grandparental investment. @article{Ventura1999BirthsMD, title={Births, marriages, divorces, and deaths: provisional data for 1998.}, author={S.
