The Generall Historie of Virginia, New-England, and the Summer Isles (often abbreviated to The Generall Historie) is a book written by Captain John Smith, first published in 1624. The book is one of the earliest, if not the earliest, histories of the territory administered by the London Company. Originally, two English joint-stock companies had been made to settle North America, then known as the Colony of Virginia. In June 1606, the London Company was granted a charter for a section of the continent
