Full Title: Into the Mountains Dark: A WWII Odyssey from Harvard Crimson to Infantry Blue. This book is different, in that it grew out of a violation of Army regulations. The author had written for his high school paper, as well as for the Harvard Crimson university paper. When he went to combat, he maintained an unauthorized journal. He was aided by his comrades, while his superiors "turned the other way." By the end of March, 1944, the ASTP had been dissolved, and the men in it had been assigned to the infantry. The author was assigned to the 399th Infantry Regiment, and his training began. By the time it was over, he was designated as his platoon's second scout, narrowly talking his way out of being an assistant BAR-man.
